

## **A NOTE ABOUT CADET STAFF SELECTION PROCESS:**

In order to be considered for staff, the application must be COMPLETE by the deadline date of 1 May, 2021. (The status on the Received Application Page on the encampment website MUST be green or yellow at that date.) With Covid restrictions, we have housing for only a total of 22 cadet staff. Because of this restriction, we will invite only 27 cadet staff applicants to the first workshop. This selection will be based on Rank, and then by age. The first workshop will be virtual to be held on 15 May from 1000 to 1400 hours. All invited candidates are expected to attend the Leadership Workshop. If there are extenuating circumstances precluding attendance, the cadet MUST contact the Encampment Commander/Commandant via phone to be excused prior to the start of the workshop. (See the Contact Page for phone numbers.) Applications from cadets who do not attend the workshop and are not formally 'excused' will be removed from consideration for this year's encampment.

## **A NOTE ABOUT CADET COMMAND STAFF SELECTION PROCESS:**

The requirements for Command Staff are the same as for the rest of cadet staff with the addition of a virtual interview. Because of the housing restrictions and the reduced cadet staff population, there will be no Squadron Commander Positions this year. The Cadet Commander from the canceled encampment of last year will continue for 2021. Therefore the only Command Staff Positions that will require an interview are Cadet Deputy Commander for Operations and Cadet Deputy Commander for Support. The Encampment Commander will review the applications for anyone applying for these two positions and will issue invitations to interview via zoom.
